Delphi Complete Peter Rabbit Tales (Illustrated) Mar 02 2021 The beloved author and illustrator Beatrix Potter's tales have delighted and charmed readers across the world since the first publication of 'The Tale of Peter Rabbit' in 1902. Potter's imaginative children's books are now celebrated for their detailed depiction of animals and evocative portrayal of the British landscape and country life. This comprehensive eBook presents the most complete collection possible in the US, with all except one of the published tales, as well as numerous contextual illustrations, informative introductions and the usual Delphi bonus material. (Version 1) * Beautifully illustrated with images relating to Potter's life and works * Concise introductions to the tales and other texts * 22 tales, with large stunning color images * Images of how the books were first printed, giving your eReader a taste of the

original texts * Excellent formatting of the texts * All the works are fully illustrated with their original artwork * Scholarly ordering of texts into chronological order Please note: THE TALE OF LITTLE PIG ROBINSON and Potter's other later fiction cannot appear in this collection due to copyright restrictions. Once new texts enter the US public domain, they will be added to the collection as a free update. Lemon Trees and Bumblebees Sep 20 2022 Lemon Trees and Bumblebees presents the magic of pollination, the dance of bees and flowers, to a young audience. With engaging wit and charm, using just the right combination of creative descriptions and fanciful illustrations, this book will entrance readers of all ages. Children can discover an early interest in science and nature as they follow these busy bees all the way to the fun on the last page. Child-friendly recipes, a glossary of new terms, and fact pages for further discussion are included.

Macmillan Dictionary for Children Jun 24 2020 Provides an illustrated reference tool for young readers, enhanced with more than 3,200 images, a map of the universe, weights and measures, countries and their flags, and more.

Hobson-Jobson Dec 19 2019 'A glossary of colloquial Anglo-Indian words and phrases, and of kindred terms, etymological, historical, geographical and discursive.' Hobson-Jobson

is a unique work of maverick scholarship. Compiled in 1886 by two India enthusiasts, it documents the words and phrases that entered English from Arabic, Persian, Indian, and Chinese sources - and vice versa. Described by Salman Rushdie as 'the legendary dictionary of British India' it shows how words of Indian origin were absorbed into the English language and records not only the vocabulary but the culture of the Raj. Illustrative quotations from a wide range of travel texts, histories, memoirs, and novels create a canon of English writing about India. The definitions frequently slip into anecdote, reminiscence, and digression, and they offer intriguing insights into Victorian attitudes to India and its people and customs. With its delight in language, etymology, and puns, Hobson-Jobson has fascinated generations of writers from Rudyard Kipling to Tom Stoppard and Amitav Ghosh. This selected edition retains the range and idiosyncrasy of the original, and includes fascinating information on the glossary's creation and its significance for the English language. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.
