*PgMP Exam Practice Test and Study Guide Nov 10 2021 PgMP Exam Practice Test and Study Guide, Fourth Edition is the book you need to pass the Program Management Professional (PgMP) exam the first time around. It reflects recent revisions based on PMI's Standard for Program*

*Management - Third Edition (2013). Based on best practices that complement PMI's standards, this is the most comprehensive and up-to-date Commercial Law Concentrate Sep 20 2022 Commercial Law Concentrate is written and designed to help you succeed. Written by experts and covering all key topics, Concentrate guides go above and beyond, not only consolidating your learning but focusing your revision and maximising your exam performance. Each guide includes revision tips, advice on how to achieve extra marks, and a thorough and focused breakdown of the key topics and cases. Revision guides you can rely on: trusted by lecturers, loved by students... "I am hugely impressed by this little textbook on the substance: it does a better and clearer job at explaining key issues than many of the core texts. - Dr Eleni Frantziou, Associate Professor in Public Law & Human Rights, Durham University "The Concentrate books are my favourite revision guides as the quality of the information is always more comprehensive than others." Carly Hatchard, law student, University of Bolton "This revision guide is excellent ... I would certainly recommend it as a revision aid" - Claudia Carr, Principal Lecturer, Hertfordshire Law School, University of Hertfordshire "The Concentrate structure is extremely good, it makes it so much easier to revise ... no key information is left out, it's a great series." Emma Wainwright, law student, Oxford Brookes University "A really good overview of the key themes, tensions, and debates ... encourages students to go that bit further to increase their chances of scoring better in the assessment." - Professor Nicola Glover-Thomas, Professor of Law, University of Manchester "I have always used OUP revision and Q&A books and genuinely believe they have helped me get better grades" - Anthony Poole, law student, Swansea University "Undoubtedly a good resource ... I would certainly recommend it as additional material for modules assessed by examination." - Dr Ben Stanford, School of Law, Liverpool John Moores University "The detail in this revision textbook is phenomenal and is just what is needed to push your exam preparation to the next level" - Stephanie Lomas, law student, University of Central Lancashire Take it online: The 6th edition is available*

*in paperback, or e-book and is supported by extensive online resources to take your learning further. *James: An Introduction and Study Guide Mar 14 2022 In this guide Margaret Aymer introduces the letter of James, countering arguments that it is of limited theological value and significance for early Christianity. Aymer focuses on James' theology of God's divine singularity and immutability, and of God's relationship to the community as father and benefactor. These are theological foundations for its emphasis on community actions of belief, humility and mutual care. Aymer introduces and examines the letter's stand against empire, not least in regard to wealth. Divine power is envisioned as an alternative power to that of the Romans, though in some respects it can seem equally brutal. Aymer concludes by focusing on those addressed by James's homily, the exiles in diaspora. Engaging the psychology of migration, she unpacks the migrant strategy underlying James's call to living 'unstained'. Finally, Aymer encourages student to ask what it might mean now for twenty-first-century people to take seriously a separatist migrant discourse not only as an interesting ancient writing but as a scripture, a lens through which its readers can glimpse the possibilities for how lives are to be lived, and how contemporary worlds can be interpreted and engaged?*

*Eureka Math Precalculus Study Guide Mar 22 2020 The team of teachers and mathematicians who created Eureka Math believe that it's not enough for students to know the process for solving a problem; they need to know why that process works. That's why students who learn math with Eureka can solve real-world problems, even those they have never encountered before. The Study Guides are a companion to the Eureka Math program, whether you use it online or in print. The guides collect the key components of the curriculum for each grade in a single volume. They also unpack the standards in detail so that anyone even non-Eureka users can benefit. The guides are particularly helpful for teachers or trainers seeking to undertake or lead a meaningful study of the grade level content in a way that highlights the coherence between modules and topics. We're here to make*

*Professionalism and Ethics, Second Edition Jun 17 2022 "This new edition of Professionalism and Ethics: Q & A Self-Study Guide for Mental Health Professionals thoroughly updates the highly regarded and groundbreaking first edition, offering the contemporary reader clinical wisdom and ethical guidance for challenging times. As with its predecessor, the second edition features commentaries by leaders in psychiatric ethics, plus two foundational chapters on ethics and professionalism in the field of mental health. These commentaries and introductory chapters provide an overview of essential ethical principles and concepts, the professional obligations of the mental health clinician, common ethical tensions found in practice, ethical aspects of caring for special populations, and ethical issues in professional training and research. The introductory chapters are followed by case-oriented questions and answers on core concepts and topics in clinical care, medical research, and interactions with colleagues and trainees. Topics explored in-depth include authorship, disclosure, and ethical peer review for scientific publications; assisted suicide and euthanasia; professional voyeurism versus patient privacy online and on social media; the appropriate process for reporting an impaired colleague; and problems of burnout, work-life balance, and professional well-being. Professionalism and Ethics: Q & A Self-Study Guide for Mental Health Professionals poses and plumbs critically important ethical dilemmas in a compelling, down-to-earth way for today's practitioners and learners"--*

CCSP (ISC)2 Certified Cloud Security Professional Official Study Guide gives you the tools and information you need to earn that certification, and apply your skills in a real-world setting.*

*Philippians Oct 21 2022 Philippians: A Participatory Study Guide is the sixth volume in the Participatory Study Series. From beginning to end, the student is invited to absorb the text and allow God's message to change her or his life. At the same time, it maintains the series standard of providing a guide that takes account of current biblical scholarship and helps the student examine the text critically while also listening to and being guided by the Holy Spirit. This guide contains eight lessons suitable for use by an individual student, but best used in a small group. The lessons are clearly written so that a laity-led class or small group can use them to advantage. In addition, there is a guide to using the book that provides insights into Bible study in general, and two appendices, one outlining the process of Bible study and one listing and describing useful resources. Each lesson includes prayers, spiritual exercises, thought questions, and theological reflection. These are designed to help students learn to see the text in a new way and to realize their full potential through the power of the Holy Spirit. This book will not only impact your knowledge of scripture; it will change the way you pray, live, witness, and relate to your community of faith and the world.*

*Certified OpenStack Administrator Study Guide Jan 12 2022 Teaches you how and what to study in order to be best prepared for the Certified OpenStack Administrator exam. This fast-growing technology is creating a market that needs more qualified IT specialists with proven skills. This book*
